

## **SKIN MediSpa Age Requirement Policy**

**Please note, children under the age of 12 are not permitted within the facility .**

**Client Consideration:** Many of our clients visit us to enjoy relaxing spa treatments. With the constant chaos of everyday life, SKIN MediSpa is proud to be able to offer a haven for our clients, and strive to maintain that level of peacefulness during the entire experience.

**Health and Safety:** As a medical facility, SKIN MediSpa is home to various laser, radio frequency, and intense light energies, as well as a multitude of medical instruments and products, all of which can pose a danger to children.

We thank you for your understanding in this matter and look forward to seeing you at your next appointment.
